To assemble your new Marley change table:

Please find the 2 sets of legs.

You will notice they have numbers on one side.

Simply match the numbers on the legs with the numbers on the rails. For example:- Number "1" on the leg matches up to Number "1" on the rail. Number "2" on the leg matches Number "2" on the rail and so on.

Using the 60mm Bolts (provided), bolt all 6 rails to the legs.

Now the frame is assembled, tighten the bolts -
PLEASE DO NOT OVERTIGHTEN!

Finally, put all 3 shelves in place

Your assembly is complete!

Enjoy your change table, and may your
little one be fresh, comfortable & happy!
