

Congratulations on purchasing the healthiest cradle in Australia!

The team at Organature
wishes your baby the very
best sleep and peaceful
nights for you.

To assemble your new cradle:

Please find the four corner posts.

These are the thick pieces of timber
marked with a "B" on the base.

Find the 5 short rails.

Using the 50mm bolts (provided), bolt the
short rails to the corner posts.

Please Note: If you have ordered one of
our cradle packages that include a
curtain rail, make sure you assemble the
2 rails (provided) with the holes in the
centre close together (so the curtain pole
can be attached after the final assembly
of the cradle).

Using the last 4 rails and 60mm bolts
(provided), complete the assembly of the
cradle frame.

Enjoy your cradle, and may your little one have sweet dreams!
